

The "MOFIA" to the rescue!

Did you miss us last week - we were on a mini time away but we are back this week.

September 1, 2017 - The "MOFIA" (Men Of Faith In Action), the men's service group from the Spring Arbor FMC heard . come and use their skills and talents to help us out. With their help we were able to get most things done on the list past five weeks!

The "MOFIA" were at our home 4-5 different times working on grading the yard, repairing the sidewalk and driveway putting up drywall, fixing some electrical things, painting and many other odds and ends.

We are so thankful for and humbled by the help. We are so often on the giving side, helping those we serve who are receiving assistance. And yet that is what the body of Christ is suppose to be about. In Acts we read about folks selli the church in need. Everyone helping each other.

We will never forget what was done for us and the help given.

On a side note the tenants in Unit one were impressed by how they saw the men working and help - they are not bel had an impact. Pray for Kyle and Kylee over the next few weeks that God will move and get their hearts!

Pray too for the fall ministries that will be launching soon in Bulgaria. Especially the church plants in Macedonia. Thank God for the help we received and the testimony it was and is!
