

Hello dear friends and partners! Greetings in the name of our Lord Jesus Christ!

How we thank you for partnering with us. Your support is vital in doing what God has called us to do. You have been a blessing in Portugal and in every nation that is being touched through the Portugal FMC.

The past two months have been both busy and blessed:

- ✂ Five students graduated from our seminary.
- ✂ We celebrated 70 years of Israeli statehood in Israel with 55 people from Portugal.
- ✂ Cindi and her friend and ministry partner Cida Matos celebrated 25 years of ministry.
- ✂ Santiago and Laysse Magalhaes became ordained elders, and our colleagues Larry Winckes, Josué Fajardo and José and Ada Hernandez came to join us for the service.
- ✂ We sent a family as missionaries from the Portugal FMC to São Tomé and Príncipe, two islands just off the coast of West Africa.

Now we are in the US for partnership building and some rest:
