### IN PORTUGAL

Many wonderful gatherings have brought substantial growth in the evangelical community. Portugal was even featured in the international media as a blessed and welcoming nation. From Portugal missionaries were sent to other nations carrying the Gospel, and many evangelical Christians of influence had their testimonies shared through the channels of social communication.

**EXCITING PUBLICATIONS:** Cindi's book, Mothers of Destiny, is in its 5th edition in Portuguese and 2nd edition in Spanish. The book, He Gave Gifts to Men, is being used by many pastors showing them the vision of growth through cell groups. This book is in its 2nd edition in Portuguese and has now been released in Spanish as the FMC in Spain has acquired a copy for all our leaders there. Eduardo's book, For Zion's Sake, is in its 2nd edition.

In January Eduardo and Cindi go to São Tomé in Africa with two Portuguese couples from the FMC here to cast vision with the Souza Family for possibilities of church planting and the developing of national leaders. Please, pray for us!

We thank you for your partnership in 2018, and we count on it in 2019. We have multiple plans for new churches and ministries both in Portugal and beyond. Be with us in this great venture!

We wish you all a **MERRY CHRISTMAS** and a **HAPPY 2019**.

We finish 2018 with hearts full of gratitude. Although both our personal support and the CSA (now called Church Planting and Development-CPD) is not fully funded, we have seen God surround us with His faithfulness through partners like you and your church. Nothing was lacking and miracles have come our way!

We can declare: "Thus far the Lord has helped us." (1 Sam 7:12)
