

The Miller Mailer

Serving missionaly in Burundi

Dear Friends,

One year ago, Joel made an exploratory trip to Burundi. That was the beginning of an exciting and life- changing journey. We've learned so much and been stretched so far...and all that before we even leave for Burundi!

It's TIME!

Several generous churches and individuals have partnered with us in the last

few months. **We have about 50 percent** of our annual budget committed. This is a great start and a base on which we can build.

Now its your turn. Many of you have told us that you understand this vision for “facing African realities” and see its strategic importance. We need to move to Burundi and your prayers and financial commitments can make that happen. **To purchase our tickets this month** and make the final arrangements, our monthly support **needs to be at 80 percent**. There are also onetime projects (vehicle, start-up costs, travel to Africa, language, etc.) that need funding if you or your group would prefer to give toward those. You may enter your support online at our website, www.missionalmillers.org or send it via FMWM at P.O. Box 535002, Indianapolis, IN 46253.

The kids are ready to embark on our next adventure - where it is warm and we can dress accordingly...but not before we celebrate Christmas here in the snow!

Pray for us as we decide what to take and what to leave!
