

Meet Your Free Methodist Missionaries

**Joel & Janette
Miller**
Africa/Burundi

Joel and Janette Miller were reappointed to missionary service in December 2010. They will serve in Burundi, Africa, working with Hope Africa University to provide classroom and clinical education for medical students. By interacting with students and modeling the life of a Christian doctor, they hope to see a generation of Christian medical students raised up to impact their cities and the East African nations from which they originate. In this way, the kingdom will grow and many people will have an opportunity to experience the love of God.

Birthdays: Joel - 1/27 Janette - 4/17
 Hannah - 1/17/02 Leah - 6/26/03
 Samuel - 12/4/04 Josiah - 2/26/07

Anniversary: 6/7

Pray for:

- language learning – French
- smooth transitions for the children as they look forward to moving but have to say goodbye to friends and family
- opportunities to share with new friends and renew old relationships in this partnership-building year
- opportunities to develop new medical skills and refresh old skills in anticipation of the challenges of a different medical practice setting
- Hope Africa University’s students and leaders as they endeavor to “face African realities” with wisdom and grace
