*Connecting Christ to Community*

## Are you called to chaplaincy?

The Free Methodist Church integrates chaplaincy ministries into the overall ministry of the church.

Any chaplain that is identified as Free Methodist will be ecclesiastically credentialed and an active member of the Free Methodist Chaplains Association (FMCA).

All members of the Free Methodist Chaplains Association know that they are connected to a positive and supportive family and network of chaplains.

## Care. Counsel. Christ.

Free Methodist Chaplaincy is a specific calling to represent the Free Methodist Church – USA in specialized ministry settings as an extension of the denomination and the chaplain's ordaining conference.

Chaplains minister in branches of the United States Armed Forces, Civil Air Patrol, Bureau of Prisons, Department of Veteran Affairs, health care, hospital and hospice networks, police, law enforcement, fire and emergency services agencies, industrial, market place, and other community settings.

## Two categories of Ecclesiastical Chaplain Credentials:

### Ecclesiastical Chaplain Endorsement

- Must be an ordained Elder
- Must meet employer's chaplain requirements
- Appointed to "denominational service"

### Ecclesiastical Chaplain Candidate Endorsement

- United States Armed Forces during the second year of seminary
- CMCs depending on employing institutions
