## Comments

I desire to authentically live out my faith in such a way that it inspires others to ask, follow, love, and lead.

I am grateful to be known and seen by a God who loves me as I am, but who loves me enough not to leave me where I am. I seek to understand and recognize Him in both the big and the small, in the dark and the light, in the pain and the pleasure, in friends and enemies, in silence and shouts, in His Word, and in the world around me.
